Who we are

The Ulster Society for the Prevention Cruelty to Animals (USPCA) is the second oldest Animal Welfare Charity in the world. It was founded in 1836 by Commander Francis Anderson Calder, a retired navy officer, as the Belfast SPCA. The eventual name change from Belfast to Ulster SPCA acknowledged the scale, scope and success of the Charity's expanded operations across the province.

The Charity's first initiative was to erect water troughs across the city for the sustenance of the heavily burdened working horses in industrial Belfast. Just over a year after its inception the charity had successfully lobbied for the Act of Parliament 'relating to the cruel and improper treatment of animals' to be extended to Ireland.

The purpose of our founders to 'Prevent Cruelty and Relieve Suffering' remains as the driving force for our charitable activities today. Whilst there are heartless individuals willing to inflict unnecessary suffering on animals the need for a USPCA remains.

What we do

Veterinary Clinic

Located on the outskirts of Newry, County Down, the USPCA Veterinary Practice is dedicated to the Relief of Animal Suffering. The Clinic is open six days a week and provides a full range of veterinary services to companion animals. For those owners who find it difficult to afford essential veterinary treatment, discount of up to 50% is available.

Wildlife Rescues

Through our Animal Rescue Service, the USPCA relieves the suffering of injured

native wildlife.

Our Welfare Officers respond to hundreds of calls, bringing the injured animal for

examination by a USPCA vet in Newry. Badgers, birds of prey, hedgehogs, swans, foxes ... are just some of the animals rescued and treated at the

USPCA and released back into their native habitat.

Where it is not possible for one of our Welfare Officers to attend, we operate a Veterinary Voucher Scheme to ensure pain relief is available through a local veterinary practice.

Animal Re-homing

Where an individual is no-longer able to look after their companion animal because of their changed circumstances or where a companion animal has been abandoned, the USPCA will ensure the animal finds a new caring owner. All animals are health checked by our vets

before being rehomed and a home check is carried out to ensure a successful match.

Animal Cruelty Investigations

Investigations into serious welfare abuses that often take place well away from the public view are a very important aspect of our work.

In recent times Badger persecution, Cock Fighting, Dog Fighting, Puppy Farms and the illegal trafficking of pups have all been subjected to USPCA scrutiny. Information gleaned through our investigative expertise has been passed to enforcement agencies and successful prosecutions have resulted.

Companion Animal Food Parcels

When the USPCA became aware of a marked growth in the numbers of pet owning families resorting to foodbanks the charity decided to offer the food banks pet food packs.

Companion animals receive first rate nutrition and pest control products donated to the Charity by manufacturers and the public. Assistance that ensures much loved pets can remain healthy and homed despite financial adversity.

Campaigns

The advancement of animal welfare is one of the primary precepts in the USPCA mission. Working against a backdrop where Northern Ireland has fallen further behind the rest of the UK in legislating to enhance animal welfare; the USPCA continues to engage with the NI Assembly to inform and influence the

debate on a range of priority animal welfare issues.

Schools Programme

By applying the old saying “prevention is better than a cure”; through our schools outreach education programme we give sound advice and guidance to future generations, promoting responsible pet ownership and an appreciation of our native wildlife. Presentations are given at schools and colleges and we also host visits at our animal shelter and rescue centre in Newry.

Pet Pledge

Pet Pledge gives owners peace of mind knowing that, should the worst happen to a pet owner, the USPCA will be on hand to care for their pet and will find them a loving home with a considerate keeper.
